

Application No. 10/765,056

Amendments to the Drawings:

The attached replacement drawing sheet makes changes to Fig. 8 and replaces the original sheet with Fig. 8.

Attachment: Replacement Sheet[s]

Application No. 10/765,056

REMARKS

Claims 1-2, 4 and 6-11 are pending in this application. By this Amendment, claims 1-2, 4 and 10 are amended and claims 3 and 5 are cancelled without prejudice or waiver of rights.

The courtesies extended to Applicant's representative by Examiner Ngo during the telephone interviews held September 19 and 22, 2006, are appreciated. The reasons presented at the interview as warranting favorable action are incorporated into the remarks below and constitute Applicant's record of the interviews.

I. Claim Amendments

By this Amendment, claims 1-2, 4 and 10 are amended for clarity and antecedent basis problems raised by Examiner Ngo in the telephone interviews.

II. Drawings

In the telephone interviews, Examiner Ngo asked where support exists for the distance recited in claim 10. Support for this distance exists in originally filed claim 10. By this Amendment, Fig. 8 and paragraph [0089] are amended to show and describe the distance between the light shielding film and the second switching element being 3000 nm or less.

III. Conclusion

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1-2, 4 and 6-11 are earnestly solicited.

Application No. 10/765,056

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,

James A. Oliff
